Treat Yourself to Something Nice this Holiday Season: A Brand New Kitchen or Bathroom Faucet!

Sure, we can give you a bunch of reasons why you could or should think about replacing one of your faucets. But what the heck, it's the holiday season, that time of year when it's okay to do a little something extra for yourself even in the midst of shopping for others.

And while you might not necessarily equate Your 1 Plumber as a place to do your holiday shopping, you'd be surprised!

For starters, **we know faucets inside and out...literally!** (After all, we ARE plumbers!) Which means we can help advise you on performance, reliability, available finishes, special functions... and all before expertly installing one or more new faucets in your home.

For your kitchen, for example, new Delta Faucets with DIAMOND Seal Technology include a valve built with a diamond coating that gives your faucet a lifetime of 5 million uses! Don't already have a spray attachment, built-in soap dispenser or filtered water tap? Leave it to Your 1 Plumber.

Looking to liven things up with a completely different finish, one that still complements the rest of your kitchen décor? Boy are you in for a nice surprise with such options as: oil-rubbed bronze, matte black, brushed nickel, brushed chrome, and many more.

Green & Healthy Living Tips

The EPA reports that 40 percent of battery sales occur during the holidays. The agency recommends you provide rechargeable batteries — and even a battery charger — along with your battery-operated gift.

Roasted Celery Root and Carrots

A great and nutritious addition to your holiday dinner table.

Prep Time: 10 Minutes, Cook Time: 45 Minutes, Servings 6-8

Ingredients:

- 3 pounds celery root, peeled and cut into 1-inch chunks
- 6 tablespoons extra-virgin olive oil
- 2 tablespoons chopped fresh thyme
- 1 teaspoon hot paprika
- Kosher salt
- 3 pounds carrots, peeled and cut into 1-inch chunks
- 2 tablespoons chopped fresh parsley

Directions:

Place a rimmed baking sheet on the bottom oven rack and preheat to 425 degrees F.

Toss the celery root with 4 tablespoons olive oil, 1 tablespoon thyme, 1/2 teaspoon paprika, and salt to taste in a bowl. Pile onto a double layer of heavy-duty foil; bring the ends together and crimp closed to seal. Put the

packet on another baking sheet and roast in the middle of the oven until almost tender, about 25 minutes.

Meanwhile, toss the carrots with the remaining 2 tablespoons olive oil, 1 tablespoon thyme and 1/2 teaspoon paprika in a bowl; season with salt. Spread on the preheated

baking sheet and roast until tender, about 35 minutes.

After the celery root has roasted for 25 minutes, open the foil and spread on the baking sheet; roast 15 more minutes. Toss with the carrots and parsley.
